About the book

This album, entitled Turkish-Israeli Relations, depicts six decades of diplomatic relations between the State of Israel and the Republic of Turkey through historical pictures. The album is the only work of its kind that gathers the most important pictures - many of them previously unpublished – depicting the Turkish-Israeli relationship from the first contacts between the Zionist leaders and the Turkish authorities to the present day.

This unique study divides the history of the bilateral relationship into four different chapters, enabling the reader to assess Turkish-Israeli relations in their rich and nuanced historical context. The book can be bought at a special price of 50 TL.
